facestock

an aggressive hot-melt rubber adhesive for packaging

CrocLock-e's aggressive tack bites ahold of most surfaces, but it really shines with packaging jobs. Plus, its excellent on-press convertibility keeps your production lines humming. When it comes to boxes, bottles, and shrink wrap, crocLock-e is the dependable choice that gets the job done.

- Quick-Tack Properties: label in a flash with instant adhesion.
- Dust and Debris Resistance: Conquers dust, dirt, and debris for reliable hold in any environment.

- moderate initial tack
- high temperature resistance
- less ooze
- good adhesion on textured surfaces
