

D1009

3.25mil Wht Vinyl TC | Removable | 50#

This face stock is a smooth finish vinyl film with a top coat for offset and flexographic printing applications. It has high durability and moisture resistance as well as good chemical resistance. The top coat also impedes plasticizer migration. Special inks are required and test is recommended.

facestock

caliper (+/- 10%)	3.25mil
break elongation % (MD / TD)	65-210 / 120-300
tensile (MD / TD lbs/in ²)	2800-4500 / 2500-4000

This is a light tack removable adhesive with good internal strength. It has a clean removability on many application surfaces. Testing is recommended for compatibility with application surface.

adhesive

caliper (+/- 10%)	0.5mil
min application temp (°F)	40
